HILLTOP LIBRARY NEWS

It's 2024! New year, new opportunities to bring a library to the Hilltop!

City Council has welcomed District 3's new council member, Jamika Scott. Be sure to reach out about how important the Hilltop Library effort is to you! We don't expect to hear from the council regarding their decision on a new library until Spring 2024, so we need to keep the issue front and center until then! If you have a creative idea about that, please let us know!

ADDITIONAL INFORMATION:

A new library will require a possible bond issue and, if so, a city-wide vote in an upcoming election. We are waiting to hear which election may be the primary target so we can rally support. Stay tuned!

Access to libraries is a basic human right.
