HILLTOP LIBRARY NEWS

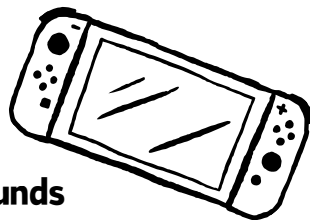

The joint meeting of City Council & Library Board is April 30th, during a 12pm study session. The Library

will present their annual report and 2024 working budget. We plan to attend IN PERSON. No comments allowed but we'll have free shirts available onsite to wear in support of a Hilltop Library. We'll also do an email blitz a week before the meeting to encourage council members to discuss Hilltop library specifics. We'll email an action notice with more details, including text you can copy/paste, closer to the date.

As the city develops its Capital Facilities Plan this year, it will rely on the Facility Advisory Committee's work for a future project list and prioritization. A Hilltop library was part of the FAC's recommendations, so we are cautiously optimistic. You can see materials produced by the FAC here.

OTHER LIBRARIES FYI:

Tacoma Library is raising funds for an after-school gaming program and circulating gaming kits, like Nintendo Switch and games. So cool! You can give here!

TAKE ACTION !

ATTEND CITY COUNCIL PUBLIC EVENTS!

Online or in-person! If can't attend, please continue to contact your City Council representatives. Find your district here or use our community action letter here.

NEXT HLPC MEETING: APRIL 18TH, 6PM

Attend the HLPC April 18th, 2024 Zoom meeting to learn more about our upcoming actions and help us plan! If you're on the email list, you'll get a Zoom invite soon!

ADDITIONAL NEWS:

People's Center may be updated in 2028 and Metro Parks would have a bond issue to do so, possibly in 2026. An updated PC could be the perfect place for a new library! Make sure you're registered to vote here.

VOLUNTEER:

We could use help with our social media, especially our Facebook page! If you can help post even once a month, let us know!
